

Senn Chemicals - Your **custom manufacturing partner** for high quality amino acid building blocks, fragments and peptides. From research to commercial supply. Learn more about Senn Chemicals AG and visit us under www.sennchem.com.

- Senn – Pioneered the development of Fmoc-, Boc-, Z- or Alloc- protected Amino Acid Derivatives
- Highest possible quality and purity
- Tailor-made specifications according to your requirements
- Efficient, large scale manufacturing processes
- Suitable for solid or solution phase peptide synthesis
- Audited and approved by US FDA and SwissMedic (Swiss authority) for GMP manufacture

As well as CoFA, TSE, BSE certification, we can support you with change notification, quality agreements, route of synthesis statement and much more. Yet so much more!
